4. Superintendent's Update
  - ❖ Facebook – Can be found on our website
  - ❖ State of the budget – CT has not adopted a budget at this time and are being run by an executive order. Mayor Merchant has spoken with Town Department heads, himself and Mr. Penn requesting a hold of 3% of each department budget or \$600,000 for BOE. This is not a cut but we are not spending that at this time. Dr. Semmel with the administrative team are looking at possibilities to bring to the full Board in September. There are items to defer cost and then will eventually impact kids.
  - ❖ Looking forward to the start of the school year with teachers back on Monday, August 28<sup>th</sup> for 2 days of professional development and students are back on Wednesday, August 30<sup>th</sup>.
  - ❖ Will be holding a district tour of buildings and will get to BOE members when that will be.
  - ❖ Supply list questions – we do not have a supply list as public schools provide needed items for the schools. There may be a time when donations are asked for which is voluntary.
  - ❖ CABE/CAPPS is November 17 & 18 which is after town elections; please put date on your calendar if looking to attend.
  - ❖ Mr. Penn reviewed summer projects; with transition of Facilities Director we had 3 major projects (a) central office move to THS that will deliver over \$1 million value in savings to the public; we will be moving on Monday, August 14<sup>th</sup> and credited Joe Dennis, his crew and Jim Mazon coming on. Dr. Semmel will give a tour after this meeting. (b) PCS had repair to section of the roof in which they needed to go down to the decking with flashing treatment under way. (c) PCS is preparing for the SmartStart grant program with both interior and exterior modifications for PreK. All spots are full and there is a waiting list. Review of grant funding on \$75,000 for physical plant side to adjust classrooms including fencing outside and \$75,000 to pay operational side. Have worked with the State and capital piece is in our account and operational side can see monies on site where they are to be drawn down.
  - ❖ Mrs. Trinks gave update on ESY which was held at Fisher Elementary under the direction of Ms. Aronheim. Summer program was 3 weeks and 6 weeks with 40 students attending with nurses, o/t, p/t, para's and teachers working on IEP goals.
5. Student Representatives – Will be at the September 13, 2017 meeting. Amy Ieronimo is returning this year and we welcome Brianna Hanlon and Diana Ieronimo.
